

## A free CPD session on some of the key issues affecting Compulsory Purchase Professionals in the public sector

How can the innovative use of CPO powers support regeneration?

Webinar: Tuesday 29 November 10:00 - 11:30

This session will look at Government thinking and recent consultation on compulsory purchase orders, featuring some of the key case law, including LB of Barking and Dagenham, and Vicarage fields. We will explore the possible ramifications of these cases, as well as delving into how more innovative use of CPO powers can support levelling up and regeneration objectives.
